Dear Joe:

The Really Busy Cooperative Weed Management Area Application has been tentatively awarded \$67,537.04 for the 2006 Cost Share year. The planned distribution of funds in 2006/2007 is as follows:

2004 Funds Remaining (Starting Balance on 03-16-06)	Actual 1st Distribution	Proposed 2nd Distribution (Reports due 07-15-06)	Proposed 3rd Distribution (Reports due 10-15-06)	Proposed 4th Distribution (Reports due 12-31-06)	Approved 2005 Allocation Amount
0.00	\$27,340.35	\$36,434.69	\$3,762.00	0.00	\$67,537.04

* *This Tentative Award of 2006 Cost Share Funds shall not in any way relieve the Really Busy CWMA (or its successors) from any obligation to comply with any provision of the Idaho Pesticides and Chemigation Law, the Idaho Rules Governing Pesticide and Chemigation Use and Application, and any other applicable local, state, or federal laws, statutes, or rules.*

The proposed distributions are dependent on receipt of expected federal funds by ISDA **and** proper submission of required quarterly financial ledgers and in-kind summary reports in ISDA format. (See Cost Share Handbook, <http://www.agri.idaho.gov/Categories/PlantsInsects/NoxiousWeeds/costshareapp.php>, Exhibit 14 and Exhibit 15.)

Any notifications sent out by regular mail will be mailed directly to the CWMA Committee Chair or Statewide Coordinator, with a copy to a secondary contact person (if any) and the financial manager. Please make sure the information on this letter is correct and let our office know if any contacts need to be changed.

Please complete the information below and the Form AD-1048, retain copies for your records, and **mail the signed originals to ISDA by March 31, 2006**. Upon receipt of these documents, we will promptly submit vouchers to our Fiscal Division for immediate processing and payment.**
